ISBR Finishing School

ABOUT ISBR

An institute of international educational standards, The International School of Business and Research (ISBR) was set up under the aegis of Bangalore Education Trust (established in the year 1990). The incubators of ISBR had a dream—the dream of a gateway that provides a global outlook, an infrastructure that beckons to explore and learn, a cradle that nurtures high ethical and human values. ISBR stands in the silhouette of such a dream. It is envisioned to become a globally recognized center of learning and research.

The edifice of ISBR is built on the foundation of three building blocks—the Governing Council, the Academic Advisory Board and the Board of Studies. These apex bodies, individually and collectively, contribute towards high standards of academic governance. With the competence and experience of the best minds from academics and industry, ISBR College is envisioned as an institute of high academic standards. The spirit of excellence that has founded ISBR College will remain the driving force. ISBR is committed to excellence in scholarship, training and service.

ISBR College takes pride in being a place where students and faculty can pursue knowledge without boundaries, a place where theory and practice combine to produce a better understanding of our world and ourselves. ISBR education prepares you to think on your feet and act decisively in any business environment.

At ISBR, the focus goes beyond education. ISBR aims to prepare students for life ingraining in them the psyche of an eternal student—making them leaders, a leader who is an ever learner, driven by thirst for knowledge and the passion to excel and ignited with the desire to achieve success for life.

WHY ISBR

ISBR College provides numerous reasons why corporates and industries should consider hiring students from our institution.

INDUSTRY INSIGHTS FROM TOP PRACTITIONERS

ISBR's "Learn from the Masters" initiative allows students to be taught by industry practitioners, including CEOs, VPs, COOs, and MDs of leading corporates. This exposure equips graduates with insider insights, relevant skill sets, and the necessary acumen to excel in the corporate world.

BRIDGE THE INDUSTRY-ACADEMIA GAP

The "C-Talk" series organized by ISBR invites CEOs, CFOs, CTOs, and COOs to interact with students, share their experiences, and establish real-time connections. This initiative enables students to develop a deeper understanding of the industry and facilitates networking opportunities.

ENHANCED ANALYTICAL SKILLS

ISBR emphasizes case study analysis and industry research, fostering critical thinking, problem solving abilities, and decision making skills in students. The collaborative approach encourages team efforts, peer interaction, and idea brainstorming, promoting effective team coordination and a competitive mindset.

STRONG INDUSTRY CONNECTIONS

ISBR's "Learn from the Masters" initiative allows students to be taught by industry practitioners, including CEOs, VPs, COOs, and MDs of leading corporates. This exposure equips graduates with insider insights, relevant skill sets, and the necessary acumen to excel in the corporate world.

COMPREHENSIVE ACADEMIC EXPERIENCE

ISBR leverages a multi-disciplinary faculty, a diverse student body, and specialized programs to offer a unique academic experience. Through in-depth projects, case studies, research, and publications, students gain comprehensive knowledge and practical exposure in their chosen fields.

GLOBAL OUTLOOK AND PERSPECTIVE

ISBR leverages a multi-disciplinary faculty, a diverse student body, and specialized programs to offer a unique academic experience. Through in-depth projects, case studies, research, and publications, students gain comprehensive knowledge and practical exposure in their chosen fields.

HOLISTIC PERSONALITY DEVELOPMENT

The “C-Talk” series organized by ISBR invites CEOs, CFOs, CTOs, and COOs to interact with students, share their experiences, and establish real-time connections. This initiative enables students to develop a deeper understanding of the industry and facilitates networking opportunities.

PERSONALIZED GUIDANCE AND SUPPORT

ISBR maintains a unique personal connect by limiting batch sizes. This ensures exceptional access to recruiters, visiting executives, fulltime faculty members, and senior administrators, allowing students to receive personalized guidance and support throughout their academic journey.

SUPPORTIVE LEARNING ENVIRONMENT

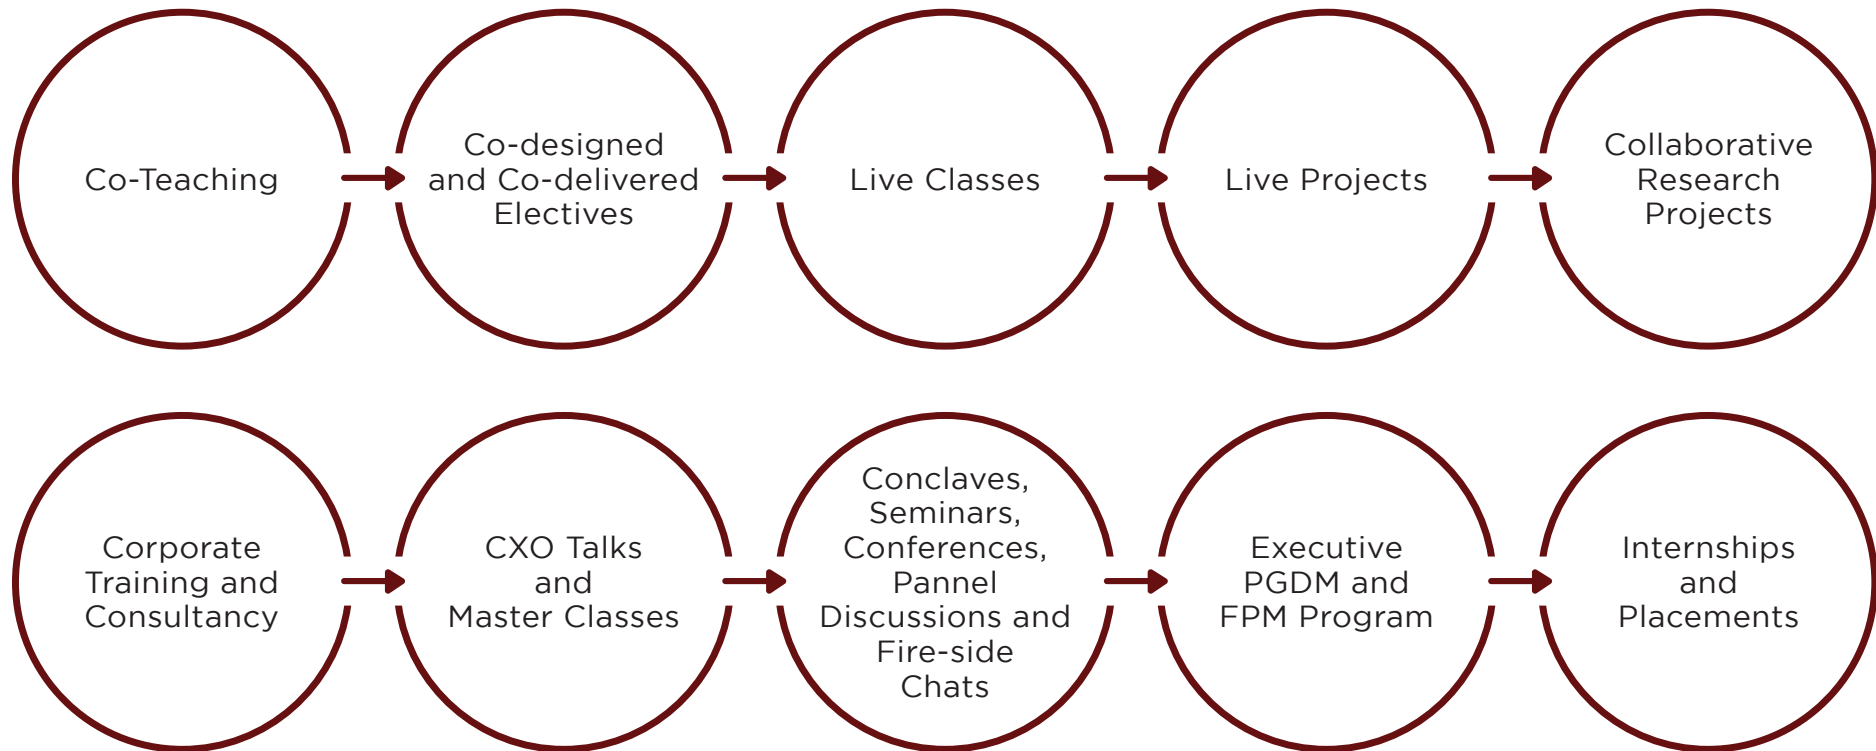

ISBR emphasizes case study analysis and industry research, fostering critical thinking, problemsolving abilities, and decisionmaking skills in students. The collaborative approach encourages team efforts, peer interaction, and idea brainstorming, promoting effective team coordination and a competitive mindset.

IN CONCLUSION,

ISBR College offers a comprehensive package of industry-relevant education, practical exposure, personal development, and networking opportunities. These factors contribute to the preparation of ISBR graduates as highly desirable candidates for corporate hiring in various industries.

sectors, receiving 100 + offers**

ISBR College proudly announces an exceptional placement season for its MBA Class of 2022-24, securing 100+ offers from more than 250+ companies. This milestone achievement reflects ISBR's growing stature among India's top B-schools and its ability to adapt to a dynamic employment landscape. The season reaffirmed ISBR's commitment to shaping business-ready graduates through a blend of academic rigor, experiential learning, and industry-aligned grooming.

Driving Placement Preparedness: The ISBR Edge

The success of the placement season is not just measured in numbers—it's driven by ISBR's robust placement preparedness ecosystem led by the Centre for Career Advancement and Corporate Engagement (CACE) in collaboration with the Training Department, Industry Experts, and Alumni Network.

At ISBR, career readiness begins on day one. The structured training model ensures that every student is equipped to meet modern corporate challenges through:

Career Advancement Trainings (CAT): Tailored sessions focusing on aptitude, communication, and leadership development.

Sector-Specific Training Programs: Deep-dives into domains such as finance, HR, analytics, product management, and marketing to build niche capabilities.

Internship Preparation Workshops: Resume building, mock interviews, GD training, and mentorships for pre-placement offers (PPO) success.

Corporate Connect Series: Regular sessions with CXOs, industry veterans, and domain leaders to provide real-world insights and mentorship.

Alumni Masterclasses: Alumni-led engagements for industry exposure, networking, and transition mentorship.

Skill Certification & Bootcamps: Python, Power BI, Tableau, HRMS tools, financial modeling, and marketing analytics.

These initiatives empower students to not only compete effectively in placement processes, but also to thrive in high-performance environments post-selection.

Voices of Our Alumni

Shruthilaya R Staff Level Accountant 1, **Withum**, MBA – Finance, Class of 2024

My journey at ISBR College has been a truly rewarding experience. The curriculum, combined with the guidance of experienced faculty, helped me strengthen my academic foundation while gaining practical insights into the business and financial world.

The college's focus on experiential learning through case studies, live projects, industry sessions, and internships gave me the confidence and skills to bridge the gap between theory and real-world application. The supportive environment and exposure to diverse opportunities shaped both my professional and personal growth.

MD Rauf Khan Associate Research Manager, **Kantar**, MBA Class of 2025

My journey at ISBR College has been a transformative blend of rigorous learning and real-world application. The program not only refined my analytical and problem-solving skills but also instilled in me the confidence to thrive in dynamic business environments.

Securing a Pre-Placement Offer (PPO) with Kantar, a global leader in insights and consulting, stands as a defining milestone in my career. Engaging with diverse categories such as FMCG, EdTech and Insurance has enabled me to translate data into actionable strategies, sharpen my consumer understanding and contribute meaningfully to high-impact business decisions. This experience has been both intellectually enriching and professionally empowering.
