

# Students Success Centre

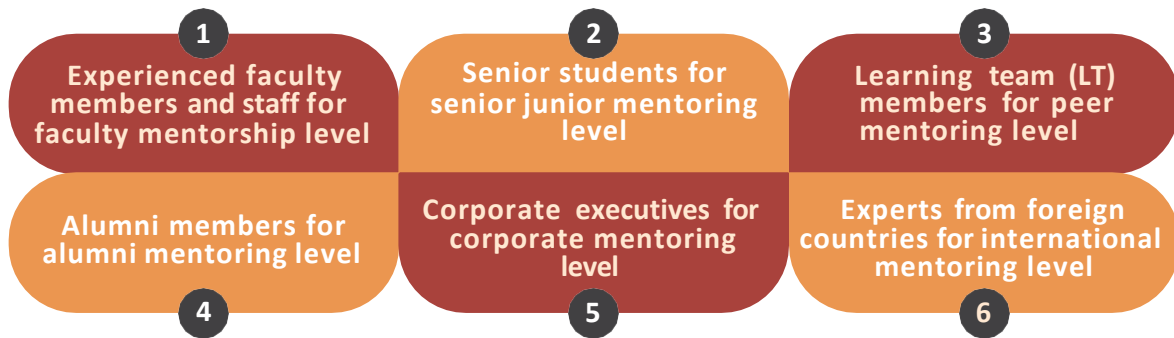

SSC aims towards supporting and empowering students throughout their ISBR journey to ensure their academic, personal, and professional success by using innovative practices while engaging various relevant stakeholders.

## MENTORING

Mentoring is amongst one of the key features which makes ISBR stands apart from other Business schools. Under the process of mentoring guidance, support, direction and advice is given to students. The goal of mentoring is to help the mentee develop specific skills, knowledge, or expertise in a particular area or to navigate personal and professional challenges successfully.

### LEVELS of Mentoring

### Mentoring STAGE

	SEMESTER 1			SEMESTER 2		
	FACULTY MENTORING	PEER TO PEER MENTORING	SENIOR TO JUNIOR MENTORING	CORPORATE MENTORING	ALUMNI MENTORING	INTERNATIONAL MENTORING
ACADEMIC SUCCESS	✓	✓	✓	✗	✗	✗
PROFESSIONAL SUCCESS	✓	✗	✗	✓	✓	✓

## OBJECTIVES of Mentoring

### Academic Support:

To assist students in developing effective study habits, time management skills, and strategies for academic success.

### Personal Development:

To nurture students' personal growth, self-confidence, and resilience, leading to improved overall well-being.

### Career Guidance:

To provide insights into career paths and opportunities, helping students make informed decisions about their future.

### Networking and professional relationships:

It is done through alumni, international, and corporate mentoring which provide an array of networking opportunities for professional success of students.

### Professional Development:

To assist students in making informed decisions, in setting clear career goals and developing a plan to achieve them.

### Goal Setting:

To help students set and achieve their academic, professional goals, fostering a sense of purpose and motivation.

### Peer Support:

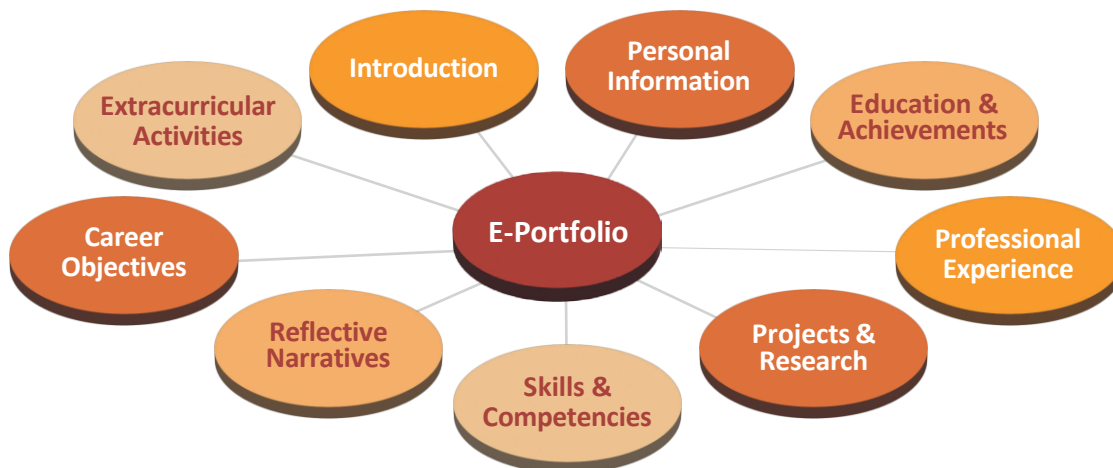

To encourage a strong sense of community and camaraderie among students, promoting a culture of support and collaboration.

## E-PORTFOLIO

At ISBR Business School, an e-portfolio stands as a dynamic and comprehensive digital repository of an individual's accomplishments, skills, experiences, and personal growth. As technology continues to advance, digital portfolios have emerged as a transformative tool in the modern professional world. With the shift towards digitalization and online presence, e-portfolios offer a dynamic and interactive platform to showcase one's achievements and skills.

## LEARNING TEAMS

Learning team is a diverse range of students and fostering a culture of collaboration, learning, and support, students will have the opportunity to thrive academically, socially, and personally, setting them on a path to becoming well-rounded and successful individuals. Learning teams working together during their journey of MBA and PGDM is a common practice in the majority of world class institutions.

### ISBR VISION for learning teams

Vision is to establish collaborative and dynamic learning teams that bring together students from diverse backgrounds, interests, and skill sets. The learning teams will serve as a hub of mutual support, learning, and empowerment, enabling each member to maximize their personal growth, academic achievements, and holistic development.

### IMPORTANCE of Learning Team
